## REPUBLICAN STATE ASSEMBLY ★ DISTRICT 26

“I am eager to bring a common sense approach to what has generally been a non-sensical approach to fiscal responsibility in state government. We have an opportunity to redefine what Nevada is, and that should be conservative! As a business owner, a family man, and someone who respects the Constitution, I have the experience necessary to bring the common sense approach to the state capitol in Carson City.”

### Let's focus on what's most important for District 26 . . . THE ISSUES THAT AFFECT OUR FAMILIES!

- \* Create an environment that generates many new jobs!
- \* Initiate a state-spending cap to control costs!
- \* Restructure education so it's effective and efficient!
- \* No new taxes!
- \* Repeal the inflation index on Washoe County's gas taxes!
- \* No on SJR2 - Protect the people's right to elect judges!
- \* Bring common sense back into the process!

It's time to make your decision. Make the **RIGHT CHOICE!**

I'D APPRECIATE YOUR VOTE AT EARLY VOTING OR ON JUNE 8<sup>TH</sup>.
